Re: Home Depot Construction
Route 3, Tilton

**AMENDMENT TO
ADMINISTRATIVE ORDER**

No. WD 01-31

September 14, 2001

A. Introduction

This Amendment to Administrative Order WD 01-31, originally issued August 17, 2001, is issued by the New Hampshire Department of Environmental Services, Water Division ("DES") to Tilton Mac-Cal, LLC; Tilton Commercial Realty, LLC; Home Depot USA, Inc.; R.L. Spencer, Inc.; and Tamchar pursuant to RSA 482-A:6. This Amended Administrative Order is effective upon issuance.

B. Amendment

1. Amend Item E to allow construction activity as follows:

All construction activities on the Property may proceed as permitted, except paving of parking lots and roadways. Paving of parking lots and roadways shall not take place until DES has received evidence to its satisfaction that the surfaces in and around the sediment basins have become vegetatively stabilized. Upon receipt of this evidence, DES will issue written authorization to proceed with paving.

2. Delete Item E 3, subject to Item E.10.

3. Strike Item E.10 and replace with the following: " By September 28, 2001, submit photo documentation and narrative description from a certified wetland scientist or erosion control specialist showing the status of the vegetative stabilization of the surfaces in and around the basins."

In all other respects, the Order remains in full force and effect.
